UG Quiz for I MBBS – “BREATH 2K16”

The Department of Physiology conducted the Intra Class Quiz Competition “BREATH 2K16” for I year MBBS students in the CME hall on 9.3.16 between 2.p.m to 4.p.m.

The quiz included 9 different rounds namely:

1. History Round
2. Functional Anatomy Round
3. Clinical Round
4. Buzzer Round
5. Connexions Round
6. Cryptex Round
7. Rush or Relax Round
8. Jumbled Round &

The Vice Principal, Prof. Dr.M.Chandrasekhar headed the quiz programme. The Head of Anatomy Department and faculties from other departments and Ist MBBS students attended the quiz programme. The rounds started following introduction of all the four teams. The faculty members of Physiology Department compered as the quiz masters for those 9 rounds.

(Introduction of all the 4 teams) (History round by Dr.Senthilkumar)
Each round was quiet interesting and different from each other. There was a tight competition between the four teams in the first four rounds, then Berne & Levy and Best & Taylor teams took a lead in the other 3 rounds.

Atlast, Berne & Levy jumped a mile away from the other three teams and won the first prize in “BREATH 2K16”. The second prize was won by Best & Taylor and the Gytong team won the third prize. The consolation prize was given for the Ganong team.
There was an audience round in-between which was answered enthusiastically by the other students and the winners were given prizes at the end. The quiz ended with the Vote of Thanks.
1st ROLE PLAY CONDUCTED BY THE DEPARTMENT OF PHYSIOLOGY FOR I MBBS (2015-2016) BATCH

(Cushing Syndrome – 1st Prize)
(Peptic Ulcer – 2nd Prize)
(Myxoedema – 3rd Prize)
(Tetany – Consolation Prize)
(Graves’ disease – Consolation Prize)
(Diabetes Mellitus – Consolation Prize)
(Best Doctor award was given to Mr. Mohit Sudhan for his presentation on Cushing Syndrome)

(Best male actor award was given to Mr. Umesh for his presentation on Grave’s Disease)

(Best Female Actor award was given to Ms. Madhu for her presentation on Cushing’s Syndrome)

(Best Narrator award was given to Ms. Vidhya for her presentation on Tetany)

The CUSHING SYNDROME team won the First Prize.
IInd ROLE PLAY CONDUCTED BY THE DEPARTMENT OF PHYSIOLOGY FOR I MBBS (2015-2016) BATCH

(Infertility Team – 1st Prize)
(Best Doctor award was given to Ms. Monisha Mary for her doctor’s role on Infertility)

(Best Male Actor award was given to Mr. Adel for his acting on MI)

(Best Female Actor award was given to Ms. Tanya for her play on Infertility)

(Best Narrator award was given to Ms. Shivani for her Narration on MI)
Department of Physiology for the first time organized a “Student’s Seminar Performance” for 1st MBBS (2015-2016 batch) students. The students were given important university question topics and all the 150 students were made to present their topics through PPT, videos and black board teaching. Separate mentor was allotted for every 10 students where the mentor guided them in their topic selection and suggestions on presentation. A certificate of merit was given by the co-ordinator of the programme every day for the best presentation. All students felt that such programmes are extremely useful for them for preparation for their exams and also it helps in improving their interpersonal communication skills.

Ms. Vidhya.S was awarded first prize for her best presentation on the topic “Factors affecting cardiac output”
Ms. Tanujaa.M was given best presentation award for her excellent presentation on “Oxygen Dissociation Curve”

Ms. Srinidhi.R was given first prize for her best presentation on “Basal Ganglia – Applied aspects

Role Plays and Quiz conducted for I MBBS 2014-15 Batch

Role Play on Hemiplegia

Students were awarded for their best presentation

Students Role Play on Myocardial Infarction and the team got the first prize
Quiz on Digestive system – (2014-15)

Dr. Chandraprabha on her rapid fire round

Students enthusiastically participating in the Quiz
Students won the First Prize in the state level quiz competition at Saveetha Medical College, 2014

Students won the rolling trophy in the state level Quiz competition held at Sri Ramachandra University in 2012

Students won the first prize at the State level Quiz Competition (Nephroquest – 2013) at Chengalpet Medical College
Celebrating the Rashtriya Ekta Diwas with Medical students who took a march to Kancheepuram by creating awareness with pluck cards

Students’ Seminar - (2014-15 Batch)
Students Debate (2014-15)
Postgraduates – Out Reach activities at SSKV School by our Postgraduates

History Taking form the school students of Kancheepuram District
Our PG doing Anthropometric measurements for the students

Postgraduates – Research Activity
School Students performing Pulmonary Function Test with the guidance of our Post Graduates

STUDENT RESEARCH ACTIVITY

The Undergraduate Students have done Research on Sanitary workers in the department of Physiology at various parameters and presented papers in International and National Conference. They also won best paper award for the same. The following are the list of students and their research activity.

<table>
<thead>
<tr>
<th>S.No</th>
